## Meet the Staff Member:

### Jeanette Potvin – Music Specialist

Mrs. Potvin is starting her 18<sup>th</sup> year at Royal Oaks. Her favorite part of RO is the people, including all the wonderful students, families and staff. She lives in Woodbury with her husband and two daughters ages 12 and 10. When she was young, she wanted to be a dentist and in college she majored in Biology before switching to Music and Education. As a child she was very shy and didn't like to sing when other people could hear her. Good thing that has changed! She also can't get enough of raspberries and lime LaCroix.
